# FACILITY USE POLICY

It is the policy of the High Point Parks and Recreation Department to operate as many programs as possible on a self-sustaining basis. Programs and facilities are made available on a first come, first serve basis. The Special Facilities Division operates the City's two golf courses, two municipal lakes, and campground and tennis center on a 100% self-sustaining basis.

Holiday rates are charged at the City's two golf courses, two marina operations, recreation centers and the Roy B. Culler, Jr. Senior Center on the following holidays: New Years Day, Martin Luther King Day, Easter Friday, Memorial Day, July 4th, Labor Day, and Christmas Eve. The Department is closed on Thanksgiving and Christmas Day.

The Department operates recreation facilities and programs for the citizens of High Point. Recreation programs for adults are operated as much as possible on a self-sustaining basis. These programs include softball leagues, basketball leagues, special trips, recreation classes, and many others. Recreation programs for special populations (seniors and handicapped) are operated on a low as possible fee basis. Donations and co-sponsorships are welcomed for special populations programs. Area schools are charged fees for the use of departmental recreational facilities.

General recreation programs and facilities are provided with fees set as reasonable as the City can afford. The City provides athletic facilities for co-sponsored youth athletic programs at no fee or at fees set to cover the loss of public access.

The Parks and Recreation Department uses revenue and expense goals and objectives to evaluate services.
