HOUSEHOLD HAZARDOUS WASTE FACILITY TO OPEN AUGUST 4

Facility Will Hold Drop Off Events Six Times Per Year

HIGH POINT, N.C. (July 19, 2018) – The City of High Point will open the Household Hazardous Waste Facility for its first drop-off event on Saturday, August 4. This event will be an opportunity for residents of the City of High Point to drop off the following household items at no charge for proper collection and disposal:

- Aerosols, batteries, bleach/cleaners, electronics, fire extinguishers, furniture polish, fluorescent bulbs, nail polish/removers
- Adhesives, gas cylinders, paints, solvents, stains/varnish, strippers/thinners, wood and metal cleaner, wood preservatives
- Antifreeze, auto batteries, brake fluid, cleaners/degreasers, diesel fuel, gasoline or mixed gas, motor oil and filters, transmission fluid
- Herbicides, lighter fluid, pesticides, poisons, pool chemicals

City staff will direct all vehicles through and unload all materials. Disposal is for household waste only, not for businesses. Subsequent events are planned for the first Saturdays of October and December 2018 and February, April and June 2019. Should any of these dates change, updates will be provided prior to each event or you can verify the event calendar at www.highpointnc.gov.

For more information please contact Environmental Services Superintendent Chip Vanderzee at 336.883.3681.

The City of High Point aims to serve as the catalyst for bringing together the community's human, economic and civic resources for the purpose of creating the single most livable, safe and prosperous community in America. For more information on the City, visit www.highpointnc.gov.
