HOUSEHOLD HAZARDOUS WASTE FACILITY OPEN TO RESIDENTS DECEMBER 1

HIGH POINT, N.C. (November 19, 2018) – The City of High Point will open the Household Hazardous Waste Facility at 1401 E. Martin Luther King, Jr. Drive for December’s drop-off event on Saturday, December 1 from 8 a.m. – 2 p.m. This event will be an opportunity for residents of the City of High Point to drop off the following household items at no charge for proper collection and disposal:

- Aerosols, batteries, bleach/cleaners, electronics, fire extinguishers, furniture polish, fluorescent bulbs, nail polish/removers
- Adhesives, gas cylinders, paints, solvents, stains/varnish, strippers/thinners, wood and metal cleaner, wood preservatives
- Antifreeze, auto batteries, brake fluid, cleaners/degreasers, diesel fuel, gasoline or mixed gas, motor oil and filters, transmission fluid
- Herbicides, lighter fluid, pesticides, poisons, pool chemicals

City staff will direct all vehicles through and unload all materials. Disposal is for household waste only, not for businesses. Subsequent events are planned for the first Saturdays of February, April and June. Should any of these dates change, updates will be provided prior to each event or you can verify the event calendar at www.highpointnc.gov.

Residents can also find a comprehensive list of common household items and their proper disposal methods by visit www.highpointnc.gov/whatdoidowith.

For more information please contact Environmental Services Superintendent Chip Vanderzee at 336.883.3681.

The City of High Point aims to serve as the catalyst for bringing together the community’s human, economic and civic resources for the purpose of creating the single most livable, safe and prosperous community in America. For more information on the City, visit www.highpointnc.gov.
