## **PUBLIC INPUT MEETING FOR NEW SIGN ORDINANCE**

**HIGH POINT, N.C. (April 3, 2019)** – The Planning & Development Department will hold a public input meeting regarding recommendations for the new sign ordinance on Thursday, April 11 at 6 p.m. in the Council Chambers at City Hall, 211 S. Hamilton Street.

In June 2018, City Council approved the hiring of Cooper Consulting Company to assist the City in updating and modernizing the City's sign regulations. Although amended, the sign regulations have not been completely rewritten since 1992.

The goals of the rewrite are to create user-friendly regulations through simplified language and graphics to illustrate the regulations wherever possible. After review of the current regulations, interviews with targeted interest groups and public input surveys, the consultants' assessment is complete, and this meeting will allow the public to give feedback on their recommendations for the new ordinance.
