NATIONAL GET ON BOARD DAY CELEBRATED ON APRIL 25

Get on Board for Public Transit

HIGH POINT, N.C. (April 16, 2019) – High Point Transit System will join with other public transportation systems nationwide to participate in National Get On Board Day on Thursday, April 25, by offering free rides to all passengers on all routes, including paratransit service. Piedmont Authority for Regional Transportation (PART), Greensboro Transit Authority and Winston-Salem Transit Authority will also provide free rides.

Sponsored by the American Public Transportation Association (APTA), National Get On Board Day encourages people to support public transportation and showcases the benefits it brings to communities. Each weekday in the U.S., 34 million people board public transportation, and every \$1 invested in public transportation generates approximately \$4 in economic returns, powering community growth and revitalization.
