

**Bid 59-052819
Police Uniforms
ADDENDUM 1**

The intent of this addendum is to change or clarify specifications and to provide responses to submitted questions as follows:

1. Approximately how many uniformed officers does this bid serve? Are purchases done in bulk or over time as needs arise? **Approximately 260 officers. When the department hires a large group, then we will purchase in bulk, but for the most part, it is over time as the need arises.**
2. Page 6 – Who is the manufacturer of items #5955 and 5510 – the sweaters? **A+ Career Apparel**
3. Page 24 – The Blauer 4660 Soft Shell Jacket – indicates that pre-bid sample is required at the time of the bid opening. It appears this is the only garment on the bid that a pre-bid sample is required. Is this correct? **Samples may be required after bid opening, but not at the time of bid opening.**
4. Page 45 – Signature Page for Incorporated Firms – is this page to be completed with the bid submission or is this to be completed by the vendor that is awarded the bid? **This section of the bid document is not required at bid opening. This is to be completed by the awarded Vendor after the opening.**
5. Page 35 – Please clarify the hat specified as COMMANDER. This line should read: **CAP, LAPD, Midway 5 Star (COMMANDER), Midlon Frame Band, Reg Visor with Felt, 6 leaf clusters and gold buttons.**

Please sign and return one (1) copy of this addendum with your proposal to confirm that you have received and acknowledged the provided information.
