### CITY OF HIGH POINT PLANNING AND DEVELOPMENT TO HOST VIRTUAL PUBLIC MEETING

*The Planning and Development Department will hold a virtual meeting about the Eastchester and I-74 Interchange*

**High Point, N.C. (Nov. 3, 2020)** - The City of High Point Planning and Development Department will host a virtual public meeting to receive feedback on the assessment of the new Eastchester and I-74 interchange on Tuesday, Nov. 17, 2020, at 6 p.m. via Zoom.

The interchange is in the process of being expanded to alleviate congestion along Eastchester and on the exit ramps of I-74. The expansion includes the addition of exit loops and the elimination of left turns on the Eastchester overpass. When changes like these have impacts on adjacent land uses. Due to these changes, the City has conducted a land use assessment of a 148-acre area along a 1-mile section of Eastchester Drive, from the entrance to Festival Park to Lassiter Drive, to review the impacts and evaluate the current land use policies for this portion of the corridor.

Residents interested in attending the meeting will need to register at [www.highpointnc.gov/VirtualPublicMeeting](http://www.highpointnc.gov/VirtualPublicMeeting). Those who would like to submit questions ahead of time should send them to [landuseassessments@highpointnc.gov](mailto:landuseassessments@highpointnc.gov) by Nov. 13, at 5 p.m.

A complete draft of the assessment and other information can be found at the following website [www.highpointnc.gov/landuseassessments](http://www.highpointnc.gov/landuseassessments). Residents are encouraged to review the draft ahead of the meeting so that organizers can answer any questions at that time. If you are unable to attend virtually and you have questions, please contact Heidi Galanti, Planning Services Administrator, at 336.883.3328.

*The City of High Point aims to serve as the catalyst for bringing together the community's human, economic and civic resources for the purpose of creating the single most livable, safe and prosperous community in America.*
