

## The Miracle League of High Point Sponsors

### Benefits of Giving:

The inaugural Fall 2009 season of the Miracle League of High Point proudly fielded 42 eager players. Our plans are to further serve the large number of persons with disabilities in our community.

To do so, we need your support. Come to a game, watch from the bleachers or volunteer, and become moved by the overwhelming gift this league has become for these players and their families.

The Miracle League of High Point strives to provide a special place where players can create memories and relationships that might otherwise be impossible. Parents and siblings become an active part of a wonderful community where they find support, become energized, and in turn learn from and support others.

### How to Give:

Become a part of the incredible experience that is the Miracle League of High Point. Our league is a unique opportunity for not just the children and their families, but also for members of the Triad community.

We are actively seeking corporations, foundations and individuals who are interested in helping to grow the program and with it a child's dream. Your donation is tax deductible to the extent allowed by law. We are a 501(c) 1 tax exempt government entity.
