

February 23, 2021

Dear High Point Community Supporter,

On behalf of Keep High Point Beautiful and the City of High Point, we would like to invite you to join with us in efforts to replace many of the trees along the Martin Luther King Jr. Drive corridor.

Recently, Keep High Point Beautiful and the High Point Urban Forestry Committee, took inventory of the trees along this corridor and found that many of them need to be replaced. Our goal is to partner with the community by raising the necessary funds to replant trees and restore the landscape. Donations of all amounts are accepted at the City of High Point's Customer Service Center on the second floor of City Hall or you can make a check out to City of High Point and mail to:

City of High Point
Attn: Customer Service
PO Box 230
High Point, NC 27261

Please make sure to mark your funds for the "Community Cultivation Campaign". Additionally, when you donate, you can list your family, company or organizational name as the donor or give in honor or memory of someone. All donations will be recognized on Keep High Point Beautiful social media pages, website and in the High Point Enterprise.

We look forward to replanting and restoring the landscape of this important area. If you have any questions or would like more information, please visit www.highpointnc.gov/CCC or call 336-883-3520.

Thank you!

"It really boils down to this: that all life is interrelated"
- Dr. Martin Luther King Jr.
