

Hold Harmless Agreement for Irrigation System Right-of-Way Encroachment

Name of Property Owner _____

Property Address _____

STATEMENT

I, _____, agree to hold harmless the City of High Point or any authorized utility, public or private, from any damage to the irrigation system located within the public right-of-way or any other public easement at said address. This includes the repair or maintenance of said utilities and applies to portions of the irrigation system that lie within the public right-of-way or any other public easement.

Furthermore, the property owner, as the responsible party of the irrigation system, agrees the City of High Point or other authorized utility representative shall not be held liable for damages resulting from repair, maintenance, or replacement activity while utilizing the right-of-way or public easement.

Permitted encroachment of the irrigation system into the public right-of-way or any other public easement does not constitute acceptance of ownership by the City of High Point.
