CITY TO OPERATE ON TWO-HOUR DELAY

HIGH POINT, N.C. (Jan. 17, 2022) – The City of High Point will be operating on a two-hour delay tomorrow due to inclement weather. This includes all City facilities and waste collection.

Solid waste collection will begin at 8 a.m., and crews will collect as much yard waste and bulk items as the snow and ice will permit. If access to either is impeded by the elements, environmental services will have to return for items at a later date.

Transit will not run tomorrow due to the road conditions.

The City encourages all residents to use caution and stay safe and appreciates their patience and cooperation

The City of High Point aims to serve as the catalyst for bringing together the community's human, economic and civic resources for the purpose of creating the single most livable, safe and prosperous community in America.
