## **INCIDENT TYPE – Back to School Reminder**

HIGH POINT, NC - With summer wrapping up, a new school year is quickly approaching for most Guilford County Schools. In fact, a few of them have already begun. The High Point Police Department would like to wish all children a safe and happy return to school and remind parents that if they are caught speeding in a school zone their children will not be the only ones learning about numbers. A speeding conviction in a school zone could result in a fine of over \$440.00 dollars and apply 3 points to your driver's license. The High Point Police Department's Traffic Unit, along with other patrol officers, will be monitoring school zones each morning and afternoon that school is in session. Traffic enforcement is essential to making roadways safer and is one of this department's priorities citywide.

In addition to school zone violations, our officers will be observant of school bus stop arm violations, driver/passenger restraint violations, and any other unsafe vehicle operation that could result in injury or death. If stopped by one of our officers for any of the above-mentioned violations, one should expect to receive a citation.

The High Point Police Department remains committed to crime-fighting, community engagement, training, and professional policing. We will continue to collaborate with our community members and crime-fighting partners to promote a higher quality of life. Anyone with information about violent crime or illegal activity is asked to contact Crime Stoppers of High Point at 336-889-4000 or Download the P3 mobile app for IOS or Android.
