The High Point Theatre Advisory Commission consists of nine members appointed by the High Point City Council to advise the Council and the Theatre staff on cultural and entertainment needs and concerns. Specifically, the Commission recommends the Theatre's budget, programming, capital outlay, fees, building usage policies, gallery usage, rentals, and programming. The Commission also approves the Theatre's co-sponsorship of programs with community organizations and helps plan for future programming and facility needs.

Each Commissioner is expected to be an active Theatre advocate and to subscribe to the Theatre's in-house series, as well as attend Theatre events regularly.

The City Council also appoints a Council member liaison to the Commission. This member has voting privileges, but is excluded from holding office on the Commission.

The Friends of the High Point Theatre, Inc. appoints one member of its board to serve on the Commission. This member has voting privileges, but is excluded from holding office.
