MONDAY TRASH SERVICE CANCELLED DUE TO WINTER STORM

HIGH POINT, NC (January 7, 2017) – Due to the severe winter weather, the City of High Point will cancel garbage, recycling, bulk and yard waste collection for Monday, January 9. Crews are making progress on clearing priority routes but snow accumulation and temperatures will still pose a challenge. City officials will continue to monitor road conditions and will make a decision about collection for the rest of the week in the near future. We will make every effort to collect solid waste as soon as conditions permit safe movement.

Residents are encouraged to visit the city's website at www.highpointnc.gov or our social media pages for updates.

The City of High Point aims to serve as the catalyst for bringing together the community's human, economic and civic resources for the purpose of creating the single most livable, safe and prosperous community in America. For more information on the City, visit www.highpointnc.gov.
