McDonald's Supports Local Community by Hosting "Coffee with a Cop" Event *Members of the High Point Community are Invited to Meet Their Local Police Force*

High Point, NC – March 7, 2016 – Coffee is more than just your favorite morning beverage; it's a cultural connection and community-builder. The local McDonald's Restaurant located at 114 Greensboro Road in High Point is the latest Triad McDonald's that will be having this event to use coffee as one of the key connectors in bringing together the local community and law enforcement.

On this Saturday, March 11, 2017, McDonald's will host a "Coffee with a Cop" event with local law enforcement in High Point. This event brings police officers and the community members they serve together - over coffee - to discuss community issues, learn more about each other and build relationships in an informal, neutral environment.

"As local owner operators, we agree that supporting our community is an important aspect of our business. Bringing together our customers with local law enforcement is a simple way to do that. We plan to continue to have these open forums throughout the rest of the year." says McDonald's owner Jackie King.

Area residents are invited to attend this Coffee with a Cop event on Saturday, March 11, 2017 from 9:00am – 11:00am at the McDonald's at 114 Greensboro Road in High Point, NC.
