### **BENEFICIAL INSECTS: IT'S A BUG EAT BUG WORLD**

**HIGH POINT, NC (March 24, 2017)** – The High Point Public Library will host “Beneficial Insects: It’s a Bug Eat Bug World” from 6:00-7:30 p.m. on Wednesday, April 19 in the Morgan Community Room. Did you know that less than 1% of all insects are considered pests? Learn about the beneficial insects who are natural pest enemies. Also, find out how to protect and encourage their populations in gardens so they can provide some natural pest control. Presented by the NC Extension Services Master Gardener Volunteers.

This event is free and open to the public. No registration is required.
