HIGH POINT PARKS & RECREATION SEEKS VOTES FOR \$20,000 GRANT

HIGH POINT, N.C. (April 11, 2017) – During Earth Month this April, High Point Parks & Recreation is encouraging the public to cast a vote for the department win a \$20,000 “Meet Me At The Park” grant offered by the National Recreation and Park Association and its sponsors.

Our local parks make High Point a better place to live and are essential to the health and well-being of its residents. Through April 30, the public is asked to visit www.NRPA.org/BeInspired and nominate High Point to receive a \$20,000 grant for improvements at a local park. Each time someone nominates our city through this website, they will also be entered in a contest to win a tablet outfitted for exploring our local parks. You can vote daily and the city with the most nominations at the end of April will receive the funding.
