N. MAIN STREET SEWER WORK THURSDAY NIGHT

Maintenance Work on Sanitary Sewer System Continues Due to Wednesday Night Rain

HIGH POINT, N.C. (June 15, 2017) – Overnight rain slowed progress on maintenance work on the sanitary sewer system in the 1300 block of N. Main Street, so the Water and Sewer Mains Division will oversee completion of the remaining work tonight. The work will begin at 7:00 p.m. on Thursday, June 15 and be completed by 5:00 a.m. on Friday, June 16, and will require a single southbound curb lane closure on N. Main Street near Lexington Avenue.

For more information, please contact Specialist Jim Murray at 336.804.1681.

The City of High Point aims to serve as the catalyst for bringing together the community's human, economic and civic resources for the purpose of creating the single most livable, safe and prosperous community in America. For more information on the City, visit www.highpointnc.gov.
