SEWER REPAIR REQUIRES THREE-DAY CLOSURE OF TINSLEY DRIVE

Repair Work between Sutton Way and Admiral Drive

HIGH POINT, N.C. (June 26, 2017) – The 3800 block of Tinsley Drive, between Sutton Way and Admiral Drive, will be closed from June 26 through June 28 for sewer repair work. Because the line is 22 feet deep, closing the road was necessary for replacing the service at La Fiesta Restaurant, but detours are in place. Additional repairs to sewer laterals in the area will be scheduled in July.
