LIBRARY TO HOST SOLAR ECLIPSE VIEWING PARTY

HIGH POINT, N.C. (July 20, 2017) – The High Point Public Library will host The Great American Eclipse Party on Monday, August 21 from 1:30 – 3:30 p.m. Viewing will be on the Sunset Drive side of the building, and a special area will be made available for photographers to set up their equipment. The first 200 people in attendance will receive free solar eclipse sunglasses.

The eclipse, when the Moon passes between the Earth and the Sun, obscuring the Sun from viewing on Earth, will be the first since 1918 to be visible across the entire contiguous United States.

This event is free and open to the public. No registration is required. For more information, contact Librarian Mark Taylor at 336.883.3646 or mark.taylor@highpointnc.gov.

The High Point Public Library is a department of the City of High Point and is located at 901 North Main Street. High Point Public Library is committed to nurturing the joy of reading, sharing the power of knowledge, strengthening the sense of community and enhancing economic and cultural vitality.

The City of High Point aims to serve as the catalyst for bringing together the community's human, economic and civic resources for the purpose of creating the single most livable, safe and prosperous community in America. For more information on the City, visit www.highpointnc.gov.
