NIGHTLY SEWER WORK ON N. MAIN STREET JULY 24-28

HIGH POINT, N.C. (July 21, 2017) – The Engineering Services Department will be overseeing sewer utility work next week in the 1300 block of North Main Street. The work will begin at 7:00 p.m. on Monday, July 24. Crews will work each night from 7:00 p.m. to 5:00 a.m. through Friday, July 28, with all lanes opened by 5:00 a.m. each day. At least one lane in each direction will be open at all times during the work period. Paving will be performed one lane at a time on Friday, July 28 during normal working hours beginning after 9:00 a.m.

For more information, please contact Construction Inspector Benny Deel at 336.688.2531.

The City of High Point aims to serve as the catalyst for bringing together the community's human, economic and civic resources for the purpose of creating the single most livable, safe and prosperous community in America. For more information on the City, visit www.highpointnc.gov.
