## **HIGH POINT PUBLIC LIBRARY PARKING LOT RENOVATION UPDATE**

**HIGH POINT, N.C. (October 18, 2017)** – On Monday, October 23, the North Elm Street entrance closest to the High Point Public Library will close to accommodate construction taking place near the front of the building. The North Main Street entrance nearest the building, across from Walgreens, has been closed for several weeks. Both of these entrances will remain closed until renovations directly in front of the building are finished.

Customers can access the parking lot at entrances located on North Main Street next to Krispy Kreme and from North Elm Street near the Dummit Fradin Law Offices. Temporary paving at the rear and in the middle of the lot has been completed, providing ample parking during construction. Seven spaces closest to the building in the middle lot are available for customers requiring accessible parking.

The front door to the Library will be accessible throughout the project. However, after October 23, the drive-through book drops and holds pick-up window will be unavailable. Customers may return materials and pick up holds inside the Library and at two remote locations: the Parks & Recreation Administration Office at 136 Northpoint Avenue on Monday – Friday from 8:00 a.m. – 5:00 p.m. and at the Deep River Recreation Center at 1529 Skeet Club Road on Monday – Friday from 5:00 p.m. – 8:00 p.m. Materials may also be returned to the High Point Museum at 1859 East Lexington Avenue on Tuesday – Saturday from 10:00 a.m. – 4:30 p.m. Holds pick-up is not available at the Museum.

For assistance in selecting one of the remote locations to pick up a hold, please call the Library's Customer Service Desk at 336.883.3661, or view the instructions on [www.highpointpubliclibrary.com](http://www.highpointpubliclibrary.com).

For more information about the construction project or other Library projects, please contact Library Director Mary Sizemore at 336.883.3694 or [mary.sizemore@highpointnc.gov](mailto:mary.sizemore@highpointnc.gov).
