RESPONSE TO GREENSBORO TORNADO

HIGH POINT, N.C. (April 16, 2018) – The City of High Point has been in contact with the City of Greensboro and Guilford County in response to the EF-2 tornado that struck Greensboro yesterday. Situations are still being assessed, and the City of High Point’s Fire and Police Departments have not yet been requested for assistance, but remain ready to help. High Point 911 took Greensboro’s overflow calls last night for approximately an hour to help alleviate the large call volume they were receiving.

The City of High Point’s Electric Utilities department has sent assistance to Danville, Va. to restore power outages caused by the storm.
